1. The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose a pull on diaper as claimed and specifically does not disclose a diaper that has the waist portion elastic member(s) and the rear portion elastic member(s) at the same vertical height around the waist opening, where the absorbent core extends above the elastic in the rear portion and terminates below the elastic in the waist portion. This results in the configuration as shown in figure 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Dennis Ruhl whose telephone number is (703) 308-2262.
